CATALOGUE Seventeen 1/2017
World Banknotes

Welcome to my seventeenth listing of World notes.

I still have some copies of John Yarwood's updated and reprinted catalogue

A Guide to the Military Chits of Australia, New Zealand & Oceania.

This edition, which he says is the last, is in COLOUR. 60 pages, with index. The bonus is you get 40 pages of my articles that were first published in the *Australasian Coin & Banknote Magazine*.

Also I have some copies of Campbell & Kroll catalogues still available for Australian clients.

Please forward a copy of this list to a fellow collector.
